

Many skills can transfer from the playing field to real life, from determination, leadership, ambition, goal orientation to being a great team-mate.

The Junior Sport Enrichment Morning will help your child on the road to success by developing new transferable skills whilst growing in confidence as an athlete.

At Kingsley we have access to a huge variety of sports and enrichment activities to participate in, there's always something to enjoy or a new skill to be learnt. We are inviting Year 5 & 6 pupils from schools in North Devon to join us for our annual Sports Enrichment Morning, a fun sports event for beginners, intermediate and advanced students.

During the morning students will be participating in some sports which they may never have experienced previously, such as Handball, Judo and Gymnastics, alongside athletics and teamwork games.
